

ROAD DISTRICT NO. 1.

Report of the Overseer of Work Performed During the Quarter.

EDITORS SUN-DEMOCRAT: Thinking that a brief report of work done in Road District No. 1 might be of interest to your many readers, I submit the following:

This district consists of the Camp Verde road, thirty-one and one-half miles; the Tonto Basin road, eighty-five miles, and some additional side-roads, amounting in all to about 145 miles of country road, and they have been worked as follows:

The Camp Verde road to the county line, thirty-one and one-half miles, three times; a ten-mile section of same road has been cleaned four times, making a total of 105 miles at a cost of \$235, averaging a cash cost to the district of \$2.25 per mile for the miles worked, or less than \$7.50 per mile for the length of the road. In 1892 I expended about \$900 on this road or \$30 per mile, and now it is in much better condition, at a cost of one-quarter as compared with five years ago.

The Tonto Basin road has been worked a distance of fifty-five miles at a cost of \$127, an average expenditure of less than \$2.30 per mile. Three years ago our first working of the road cost near \$700, or about \$8.50 per mile. As far as worked, the road is in better shape than it has ever been.

In addition to our regular work we were instructed to repair the cross-road from the Tonto Basin to the Verde road, fifteen miles, an almost impassible trail. This work cost \$49, or about \$3.30 per mile.

We also expended \$239.50, subscribed by the business men of Flagstaff and vicinity, on the roads in Yavapai county, viz., the Camp Verde road from the Cocoonino line to foot of Beaver grade, a distance of about thirteen miles, all being heavy work. There were put in forty-two new water-lets and as many more repaired. Also threw and blasted out the rocks on the Jerome road from the forks to foot of Dry Beaver grade, about nine miles, using 100 pounds of giant powder, 200 feet of fuse and 200 giant caps on the roads. The following sums were subscribed to be expended in this Yavapai county work by the citizens of Flagstaff and vicinity:
